## BANNERS AND FLAGS

The commencement ceremony as a whole affirms the value of learning to society, recognizes the cooperation of many people, on and off the campus, who have contributed to the learning enterprise and, above all, celebrates the effort and achievement (symbolized by diplomas, degrees and dress) of the graduates themselves.

### UNIVERSITY SEAL

The university seal was redesigned in 2001 and portrays the cupola that sits atop Riverview Building, surrounded by oak leaves. The visuals were chosen to illustrate SCSU's long history of teacher preparation (Riverview was built to serve as the lab school for St. Cloud Normal School students to teach area children) and the university's location on the oak-crowned banks of the Mississippi River.

### COUNTRY FLAGS

The U.S. flag is displayed in the center of the building, above graduate seating. The flags hung above the commencement stage represent countries which host St. Cloud State University semester-long education-abroad programs: Australia, Chile, England, France, Germany, Japan, Malaysia, Netherlands, South Africa, South Korea and Turkey. Additional national flags on display behind the stage, as recognized by the United Nations, represent the home countries of more than 1,100 international students from 88 countries attending St. Cloud State University. Those flags also represent the education-abroad countries that have been visited by our students, along with the home countries of our graduates in attendance today. We especially welcome to St. Cloud the families of graduating international students.

### THE MACE

The mace originated as a staff or club used in the Middle Ages for breaking armor. It evolved into a ceremonial symbol of authority used in legislative bodies, universities, and other governmental units.

The university mace was created by David Landwehr out of the white cedar flag pole from Old Main which was built in 1875 and razed in the late 1940s. The carved designs on the mace head which are decorated with gold leaf symbolize the programs of study at the University and were created by Merle Sykora, professor emeritus of art.

### THE PRESIDENTIAL MEDALLION

The presidential medallion worn by President Earl H. Potter III was created in 2002 by SCSU faculty emeritus, Dr. James Roy. This multi-dimensional medallion incorporates the SCSU seal and sits upon a plate of rhodium-plated sterling silver. The central portion of the medallion has been created from cast 14K gold and is festooned with four deep red garnet stones.

Dr. James Roy served as chair of the SCSU Department of Visual Arts from 1964-1992 and retired in 1994. Previously, Dr. Roy designed the original presidential medallion which is now housed in university archives, as well as medallions for the Chancellor of the Minnesota State University System, Metropolitan State University and Minnesota State University-Akita in Japan.

## THE ACADEMIC ATTIRE

The custom of wearing a distinctive dress for academic ceremonies goes back to the Middle Ages, when long-sleeved, hooded gowns were necessary for warmth in the unheated stone colleges. Academic costume is at present worn in the United States by persons taking part in academic ceremonies in general, at commencement ceremonies, at baccalaureate services, and at various inauguration ceremonies.

### GOWNS

The bachelor's gown is a relatively simple kind falling in straight lines from a fairly elaborate yoke. Its distinguishing characteristic is the long pointed sleeves. The master's gown is similar, except for the sleeves. The doctor's gown is an elaborate costume marked by velvet panels down the front and around the neck as well as by three bars of the same material on the bell-shaped sleeves.

### HOODS

The greatest degree of symbolism is shown by the hood. Undergraduates here do not wear the hood. Graduate student hoods have velvet edging which indicates the area of specialization. The inside of the hood is satin and indicates by its color the college or school which granted the degree. St. Cloud State University's colors are deep cardinal red and black.

### CAPS

The square "Oxford cap" or mortarboard of serge or broadcloth with a stiff crown is worn for most degrees. The tassel that hangs to the side is switched from the right to the left when the baccalaureate degree is awarded.

### TASSELS

Undergraduate degree tassels are St. Cloud State University's colors of cardinal red and black. Graduate degree tassels indicate the degree: master of arts (white), master of business administration (light brown), master of engineering management (orange), master of music (pink), master of science (yellow gold), master of social work (citron) and specialist (light blue). The Doctor of Education degree tassel is light blue.

### RED, WHITE AND BLUE CORDS

The cord is a special recognition to show the University's respect and gratitude for our student veterans and those service men and women who are currently serving and protecting our country.

### HONOR CORDS

The color of the honor cord indicates the level of academic achievement for undergraduate students: Cum Laude (red), Magna Cum Laude (silver) and Summa Cum Laude (gold).

## ACADEMIC DISTINCTION

Students who accomplish a high level of academic achievement, as reflected by their grade point average, receive distinction as follows.

<i>Grade Point Average:</i>	
3.25-3.49	<i>Cum Laude</i>
3.5-3.74	<i>Magna Cum Laude</i>
3.75 or higher	<i>Summa Cum Laude</i>

NOTE: Since programs are prepared in advance of the receipt of final grades, the listing of graduates and award recipients may, in some instances, be inaccurate. Also, in addition to GPA, there are minimum credit requirements to graduate with honors. The fact of graduation and the receipt of honors are validated by the student's permanent records which are kept by the Office of Records and Registration

# UNIVERSITY HYMN

Amy Dale

Harvey Waugh

The musical score for 'University Hymn' is written in G major (one sharp) and 4/4 time. It consists of five staves of music with corresponding lyrics. The melody is simple and hymn-like, with a key signature of one sharp (F#) and a time signature of 4/4. The lyrics are: Sing to thee, our Alma Ma-ter, high on oak crowned; By the riv-er's flow-ing wa-ters, by its is-lands; banks, fair, Em-blem of our search for know-ledge, May the loy-al sons and daugh-ters, sym-bol of our youth-ful ranks. Filled with fires of thy en-dur-ing friend-ship share. May they with sin-true am-bi-tion, let us ev-er be; Loy-al to thy cere am-bi-tion, through the years e'er be; Loy-al to thy fine tra-di-tion. Hail, St. Cloud, to thee! fine tra-di-tion. Hail, St. Cloud, to thee!

Sing to thee, our Alma Ma-ter, high on oak crowned  
By the riv-er's flow-ing wa-ters, by its is-lands

banks, fair, Em-blem of our search for know-ledge,  
May the loy-al sons and daugh-ters,

sym-bol of our youth-ful ranks. Filled with fires of  
thy en-dur-ing friend-ship share. May they with sin-

true am-bi-tion, let us ev-er be; Loy-al to thy  
cere am-bi-tion, through the years e'er be; Loy-al to thy

fine tra-di-tion. Hail, St. Cloud, to thee!  
fine tra-di-tion. Hail, St. Cloud, to thee!
